

TECHNICAL SPECIFICATION SHEET

FG Sleeve

UP TO 500 DEG C

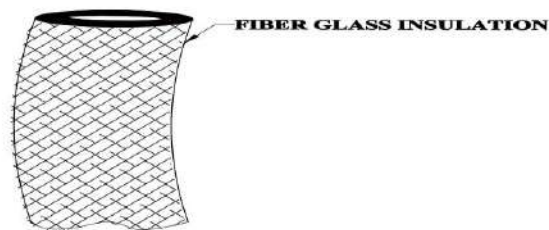

Technical Detail

Design Standard	: As per JSS 51037
Size	: As per customer requirements.
Insulation	: Fiber Glass Insulation With High Temp. Varnish
Identification	: As per customer requirements.
Cable Temperature Range	: Up to 500 Deg C

Special Features

Max. Temp. Up to 500°C
Good Chemical Resistant
Low Dielectric Constant
Very Low dissipation factor
High Temperature Resistant
Good Abrasion Resistance
Non-Flammability
Passes JSS 51034 Flame Test
